

WELCOME!

October is national breast cancer awareness month, providing everyone the opportunity to focus on breast cancer and its impact on those affected by the disease. Breast cancer is still the most common cancer among Australian women, however survival rates continue to improve with 89% of women surviving 5 or more years beyond diagnosis.

Join us in supporting breast cancer research this month. For every product sold in the Nak Care range, Nak donates \$1 towards breast cancer research. And GHD is now a Pink Diamond Partner, having raised over \$2 million for the National Breast Cancer Foundation..

Not only are we proud to stock these products, the team will be dressing in pink on Pink Ribbon day—Friday 25th of October. And to show my personal support for this awesome cause, I will be wearing at least a little bit of pink every work day during October.

Available for \$289, for every set sold, \$20 will be donated towards the breast cancer research.

Congratulations Danni and Pete

A big congratulations to Danni and Pete who have recently announced that they are expecting a new baby in April next year. Danni and Pete are excited about their pending arrival, as is Danni's little boy, Landon. We are all very pleased to hear the exciting news, and wish Danni a healthy and smooth pregnancy.

What a fertile bunch we are here at The Styling Stable! In the last 14 years of business 11 babies have been born to our staff members! Danni's will make 12. That's not a bad birth rate 😊

School Formals in November

Once again it is coming up to that exciting time of year when all year 12 students have their graduations. We are almost fully booked for the graduation period, so if you are hoping to have your hair done in the salon for your formal it would be advisable to book your appointment ASAP.

For those that will be having their hair done in the salon on the day of their graduation, here are a few tips to ensure your hair looks its absolute best on the day:

- Please wash your hair the day before—this makes sure the hair is not too soft or too dirty, making it easy to manage for your stylist on the day
- Please leave your hair to dry naturally if possible—this also increases the manageability of your hair
- If you know what kind of look you would like for your hair on the day, please provide us with pictures to work from (you can email to thestylingstable@hotmail.com or just bring some pictures with you on the day)
- It is also best to use a salon brand shampoo and conditioner for the month leading up to your formal—this will help to restore your hair's natural sheen and movement, making it easier to manage as well as giving it much more shine and moisture.
- If you are having your hair coloured, please have this done one week prior to the event—this will ensure you are not left with any colour stains on your hairline, and will give time to shampoo your hair a couple of times beforehand.

STAFF REPORT

Farewells

We sadly said farewell to Mel at the end of September. Mel has left the salon to take on the role of sales rep for Norris Hair and Beauty. We are all going to miss having Mel in the salon, but hope she enjoys the new role she has taken on.

This month we have also said farewell to Nikki who has chosen to leave our industry and expand into an administrative role. Nikki finished up at the salon last Saturday the 5th of October. As with Mel, we are sad to say goodbye to Nikki, but wish her all the best in her future endeavours.

Welcome Sarah

We are pleased to welcome Sarah into the salon this month. Sarah is a qualified stylist who will be working with us temporarily for the next couple of months. Sarah started with us last Saturday, and it's a pleasure to have her on our team (even if it is only for a couple of months).

Sarah will be with us up until the end of November, and possibly some of December. She will be in the salon on Saturdays and Wednesday nights.

HAIRDRESSERS!

Are you passionate about what you do?
Want to be part of a fantastic, fun and enthusiastic team?

Want to feel guilty about being paid for doing a job that you love?

CALL ME NOW on 0404 281 115

I am currently looking to add members to my salon team

(qualified stylists or 3rd / 4th year apprentices)

If you love what you do, enjoy working hard in a fun and flexible environment and have passion for our industry, contact me today.

While we are sad to farewell Mel and Nikki from our team , it opens up an opportunity for someone else to join our salon. Sometimes finding the right person can take a fair bit of time and patience, and qualified stylists are hard to come by. . . So if you happen to know someone (or someone who knows someone, etc.) who might be an asset to our team, help spread the word - let them know about us, and that we are looking for someone new!

Get Connected @ The Styling Stable

Don't forget we are now offering free Wi-Fi to our clients while in the salon having their hair done! Bring along your laptop or iPad, ask the girls for the password and get connected!
